

Youth Tickets for RBS 6 Nations' Tickets 2017

Should there be sufficient demand, the Club is planning to take a bus load of youngsters to each of Scotland's three home 6 Nations' matches. We will make a charge to cover both the cost of the match ticket and the cost of bus hire - everyone will be charged the same. It is likely that the cost will be around £25 per person. We need a few adults to accompany and look after the youngsters - **This year, Scottish Rugby has stipulated a maximum of 2 adults to every 8 youngsters and will limit Clubs to this ratio.** The Club will seek to ensure that, where possible, groups of youths and accompanying adults / helpers are appropriately matched.

If you are interested, then please complete and return this application form **as soon as possible** and no later than **14 November 2016**. Applications will be treated in the order they are received - some people have already requested tickets (when we first went out to seek interest) and they are already on the list. **Please note that we do not require any money at this stage.**

We will place a block booking for tickets with Scottish Rugby, assuming there is sufficient demand. Once we have confirmation from Scottish Rugby of our actual ticket allocation we will notify the successful applicants and seek prompt payment. Your help in this matter would be greatly appreciated.
